CORRELATING COMMON CORE STATE STANDARDS

THE COMMON CORE STATE STANDARDS FOR ENGLISH LANGUAGE ARTS

The Common Core academic alignments published by the College Board are intended to show meaningful connections and similarities in practices and procedures across subject areas.

Reading #1: Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.

Reading #2: Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.

Reading #3: Analyze how and why individuals, events, or ideas develop and interact over the course of a text.

Reading #4: Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meanings, and analyze how specific word choices shape meaning or tone.

Reading #5: Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of the text (e.g., a section, chapter, scene, or stanza) relate to each other and the whole.

Reading #6: Assess how point of view or purpose shapes the content and style of a text.

Speaking and Listening #2: Integrate and evaluate information presented in diverse media and formats, including visually, quantitatively, and orally.
